To Whom It May Concern:

Please be advised that Admiral-Merchants Motor Freight and Wingline Trucking, Inc. have enjoyed an Agency relationship for a number of years. Such Agency entails the representation of Admiral-Merchants by Wingline to their valued customers for the purpose of moving quality Truckload service through our DOT Common and Contract authorities as registered under file 0124813.

We also understand that Wingline represents other Carriers similar to Admiral-Merchants in our Industry and that such representation does not diminish our relationship with them. In fact, we welcome the opportunity of competing with said other Carriers for the service Wingline performs on our behalf to the benefit of the Transportation Industry.

As our Agency relationship has evolved over the years, I have come to recognize and appreciate the professionalism and service oriented commitment of the staff at Wingline Trucking and highly recommend them to any and all Shippers that may contemplate their use in any future business transactions (and the subsequent business obtained by them for Admiral-Merchants).

If you need any further information regarding this matter please advise me at Mike@ammf.com or by phone at (612) 221-8415.

With best regards, I remain,

Sincerely yours,

Michael D. Fielding
